

NATDANAI KANYAKOON

Front-end Developer

+66836536262, moss10612@gmail.com, Linkedin: Natdanai Kanyakoon

PROFESSIONAL SUMMARY

A simple person who want to push through to the limit "I will never do that" with fixed mindset that I was not engineering student. After realize, my background degree is not fit with my interest at all, and want to try something new that I have never learned before. Then coding is an answer which can improve this world to not stop orbit. I think It would be good if I can be a small part of this industry. I finally found it and I will dedicate for it.
